1 EXT. SEEDY DEMON BAR - NIGHT

1

Demons come and go, past a poster on the wall near the door which reads: "GIRLS!!! NUDE NUDE NUDE! DEAD DEAD DEAD!! ALL NUDE! ALL DEAD!"

INT. DEMON BAR - NIGHT

Loud music, maybe "Werewolves of London", a scantily clad vampiress gyrates, out of focus in the background. The bartender cleans some glasses behind the bar.

SEAN

Two pints of your best lager
Barman.

Bartender looks up; there's no one there.

BARTENDER

Oh, yeah. Very scary. Ooooo,
disembodied voices. Like I've
never seen that before.

SEAN

Down here, lad.

Bartender leans forward, looking over the edge of the bar. There are two leprechauns standing there- Cute, Darby O'Gill-looking leprechauns: SEAN and SEAMUS.

BARTENDER

Oh, sorry boys, what'll it be?

SEAN

Two pints of lager please.

Bartender turns to fetch the beers. On a nearby barstool, a large, rough looking CREATURE has been eyeing SEAN.

CREATURE

General laughter from all around. SEAN and SEAMUS exchange weary looks then morph, Vamp style, into the evil looking, Jennifer Aniston chasing type leprechauns. We see

(CONTINUED)

CONTINUED:

Bartender's POV: The CREATURE is jerked out of our sight, below the bar top. We don't see what is happening, but there is screaming and the sounds of someone being eaten, or at least well and thoroughly chewed.

LONG SHOT from door toward bar. SEAN and SEAMUS stand over what is left of the CREATURE. They are (and everything around them is) covered in blood. Everyone is stunned by the viciousness of the attack.

SEAMUS

Mmmm, magically delicious.

SEAN

(smacking his lips)

Why is pub food always so salty?

SEAMUS

I think it's to get you to drink more.

SEAN

Right.

SEAN and SEAMUS knock back their pints and place the empty glasses back on the edge of the bar.

SEAN (cont'd)

Two more, Barman.

BLACK OUT.
